This gesture of complimentary invite for them was very widely appreciated. d. **RECD Charges reimbursement** - Some of the residents had raised the objection as to why the RECD charges are being reimbursed earlier than committed time by previous EC and why the interest for late payment of the same was being reimbursed. GS explained that the decision of earlier EC to collect RECD charges was not in order and was objected to strongly by few residents. Accordingly the earlier EC decided to reimburse these charges in each quarter in four installments wef July to Sept quarter bill. The current EC had only expedited this reimbursement process. Furthermore, since the entire amount of RECD charges was being reimbursed, EC had decided to reimburse the interest amount collected for late payment of these charges on the principle that when the main event falls, the associated events also fall. G.Sec informed that the total interest charges being reimbursed are Rs 616/- for three residents and

disclosed that he is one of the beneficiaries of this decision and accordingly recused himself. Mr Lahoty being another beneficiary also recused himself and requested EC to reconsider if the interest charges should be reimbursed or not. EC, by majority, decided to reimburse the interest charges collected for late payment of RECD charges. Ms Nitasha recorded her **dissent** to this decision.

**3. Procedure for placing work order/purchase order:**

It was decided that for any purchase order to be placed, indent shall be signed by the respective subcommittee convener, quotations from vendors would be obtained, shortlisted, proposed by the Subcommittee Convenor, passed by the purchase committee convener. **4. Update on completion of ongoing projects:**

EC placed on record its appreciation for outstanding efforts by convener of Development subcommittee Mr Vinay Gupta for having achieved the mammoth task of completing the pending Main Gate Project as well as the Central Park Fountain well in time before Diwali even in absence of drawings, work order for additional work and other details. EC also placed on record its appreciation for help extended by ex EC member Mr Balbir Singh for completing these projects. It was further informed that – there were still small things to be done in both, which should be complete by December end.

the expenditure on various projects, namely Gates, Central fountain, and entrance porches in the current financial year, we may be left with only about Rs 20-30 lakhs or so for special repair works etc. However the situation will be clearer after study of accounts in detail and preparation of budget.

**11. Renovation of Staff Toilets:**

EC placed its appreciation on record for Mr S S Sandhu for sponsoring the complete renovation of the staff toilet in RR-1. Since the condition of staff toilets in RR2 and RR3 also demands complete renovation, EC accorded its administrative approval at an approximate total cost of about Rs 1.6 lacs from the RWA funds.

**12. Central Park Fountain Running time:**

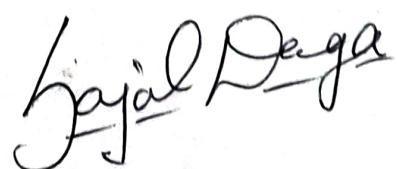

Due to paucity of time, this agenda was not taken up.

**13. Update on Security Issues, incident involving reports by security guards, calling of RWA members late at night:**

Due to paucity of time, this agenda was not taken up.

**14. RR Family Whatsapp group etiquettes:**

The issue of unfortunate acrimonious exchanges of messages on RR family group and WhatsApp group etiquettes for the family group were discussed in detail. It was pointed out this group is meant for important announcements, messages/information, which might be of use to all. Under no circumstances it is meant for personal attacks and acrimonious exchange of messages, which disturbs the peace and harmony of the society. Despite an appeal to refrain from such personal hateful messages, the tirade did not stop and the group had to be suspended for any posts by residents.

Formal complaints by few residents were received for the recent incident on the group which was placed before the EC.

After detailed discussions, it was decided that the RR family group will remain suspended for posting by residents (except admins) till detailed WhatsApp etiquettes are framed and approved in the EC. A committee of Shri VK Mehta and Shri Anurag Kalia has been constituted to frame the detailed etiquettes, do's and dont's for the group.

In order to have a formal process of giving suggestion by any resident, it can be emailed to the estate manager ([estatemanager4rrra@gmail.com](mailto:estatemanager4rrra@gmail.com)) who would acknowledge the email preferably within 48 hours. This would ensure that any formal suggestion(s) made by any resident is properly taken on record and dealt with. If any resident is not familiar with the use of email, then they can send the suggestion on WhatsApp to the estate manager on (+91 98187 56242) who would be compiling all such suggestions received on email/WhatsApp and putting up periodically to the office bearers for n.a.

Complaints relating to regular maintenance, are to be directed at the RR COMPLAINTS group as is being done even now.

**15. Administrative approval for walking track repair, children play area, VC system installation in Meeting Room:**

It was decided to get the walking track repaired and resurfaced as soon as possible.

Children's Play Area is being worked upon.

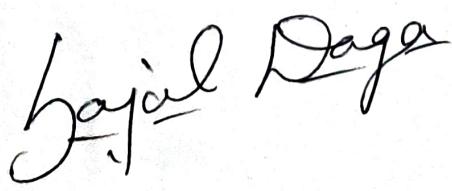

VC system not discussed for want of time.

**16. Maintenance Charges reduction:**

G.Sec informed that this is definitely on the agenda for implementation within the tenure of this EC. This is mainly linked to solar power installation and subsequent reduction in power bills which is presently about Rs 3 lacs per month.

**17. Any other item with the permission of the chair:**

- Issue was raised about lobbies renovation work. It was explained that we are working out the clearer financial picture and would be able to

decide upon the timing of this work based on budget availability. Furthermore, this kind of work may also require broader consultation.

- b. G.Sec placed on record the appreciation for the efforts taken by earlier EC for upgradation of RR.
- c. The meeting was concluded with the permission of the chair with a vote of thanks by VP Mr Vinay Gupta.

Dear Mr. Lohia,

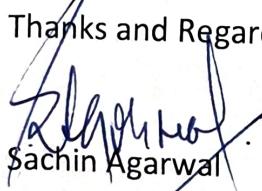

I received the two complimentary passes for this evening's RRRA Diwali celebration and I truly appreciate the thoughtful gesture.

I believe the passes were meant for my parents. Unfortunately, they're currently in Agra, so I'm returning the passes to the Estate Office.

I also want to take a moment to say thank you, it really means a lot that RRRA has taken the time to honour our parents and senior residents in this way. It's such a beautiful thought, and I'm sure it touches many hearts, just as it did mine. I hope we continue celebrating our elders and making them feel special in the years to come.

Wishing you and the entire Royale Retreat family a very joyful and bright  
"Shubh Deepotsav"

Thanks and Regards

  
Sachin Agarwal
